Large ⁽³⁾ Parent / Consolidation ⁽⁴⁾		£1,270	£1,395
Supplement if entity is an Academy ⁽⁵⁾		£255	

KEY:

1. "Small" means utilisation of FRS 102 Section 1A, or for a charity, one which is not a "larger" charity as defined in the SORP (namely one with income of less than £500,000);
2. "FRS 102" includes utilisation of any SORP (FRS 102);
3. "Large" based on entity / parent not qualifying as small / medium in accordance with sections 382 / 383 and sections 465 / 466 of Companies Act 2006, or would not qualify as small / medium if were governed by Companies Act 2006;
4. When a Parent is preparing Consolidated Financial Statements, the review considers the audit of the parent company as a stand-alone entity and audit work undertaken on the consolidation process. A review of any subsidiary undertaking also audited by the parent auditor will be regarded as an additional review, and charged accordingly, in accordance with the prices noted above;
5. Review of an Academy will also consider the Statement on Regularity.

Note that other than in respect of an Academy, as noted above, a review of the audit of statutory financial statements does not consider any other (client money or regulatory) report. If it is necessary to review an additional (client money or regulatory) report, this will be regarded as an additional review, and charged accordingly, in accordance with the prices noted above.
